

LED luminaire for wall mounting. Vandal resistant, versatile wall luminaire with a thin profile that suits most environments. An adjustable wall/corner attachment is available as an accessory, offering several creative solutions for lighting above doors, gates and pathways. Fevik is connectable from the top and has outlets on the back panel for external wiring from both above and below. A connector between the wall attachment and the luminaire means that mounting is quick and easy. The light source can be changed by a competent professional. IP65 and IK10.
