

Lineal Cubic Surface-Suspended

Lineal Cubic Surface-Suspended is a modular system solution for suspended or surface mounting, with a clear distribution for effect lighting. The efficient lighting solution optimises visual comfort and light quality and makes Lineal Cubic Surface-Suspended ideal for many applications such as offices, corridors and foyers or as decorative lighting. For each continuous line, you need one or more straight lines and a start kit. Lineal Cubic Surface can be combined with Lineal Surface and Lineal Suspended, enabling creative lighting designs. Brackets for surface mounting are included, wire kit for suspended mounting is sold separately. For each continuous line, you need one or more straight lines and a start kit.
