

Arena Sport Asymmetric

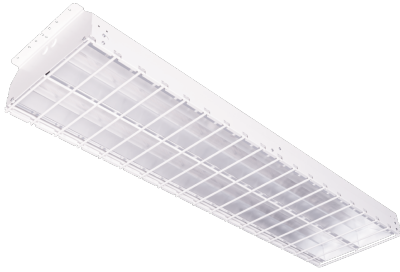

Arena Sport is an energy efficient luminaire especially suited for sports halls where padel, tennis and badminton is played. It has a wide asymmetric light distribution, which gives great and even light on a standard tennis court, when installed along the long sides of the court. It is easy to install with hinged gear tray. 7-pole terminal block with 7x2,5mm² through-wiring. Delivered as standard with a protective ball grid, approved per DIN VDE 0710-13. Various accessories for flexible mounting are available.
