

CircLED Single

Design: Christian Hvidt. Light for mounting on mast, IP65-rated. Luminaire body made of die-cast aluminium, powder-coated in black or grey. Reflector made of aluminium, powder-coated white. Optics are particularly well suited to giving a direct light distribution due to the tempered glass front. Complete with LED driver for operation of LED light sources mounted to component rail pre-mounted with six-metre connection cable. Lamp head prepared for mounting at 60 mm. Electrical rating class II. IK09. CircLED is based on the latest LED technology and optics for a long-lasting solution for streets and small roads, public areas and paths. CircLED is available as a single lens or a multi-lens version. Both combine energy savings, durability and precise light distribution and are optimal solutions for retrofitting of old mercury or sodium lamps.
