

Frames

Stylish frames that are suitable for use in all recessed equipment. Use a retaining clip from a single switch/outlet for attaching these. For other products like dimmers, PIR sensors and thermostats, central plates provided with the products are used. Frames of 90mm are slightly larger to cover more around the wall box if the hole cutout is slightly bigger than the standard frame.

Produkt- und Umgebungsbilder

Artikel		Schutzklasse	Controller	Montage/Anschluss	Größe
	78001 Rahmen Schwarz 1X	IP21		Anbau, Indoor	L84 x W84 x H10
