

Luna Deco is a family of outdoor in-ground lights for effect lighting. They are perfect for lighting the edges of paths and other garden elements. They are also well suited for mounting in walls. They are made of acid-proof steel and powder coated machined aluminum. Totally waterproof, IP67. Has integrated, sealed LED light source. Comes with a tube for mounting in the ground, and with a clip for mounting in a wall. Delivered with cable for connecting to a 24V driver. 1-4 Luna Deco/Driver.
