

# Zip Pro 3-Circuit

Three-phase rail spot with integrated powerful LED chip and driver. Driver can switch between three brightness levels using a jumper terminal. Mounted using global multi-adapter, which is ideal for SG's three-phase rail system (Shopline) as well as other systems where Global can be used. ZIP is made of powder-coated aluminium, flexible and able to be pointed in almost all directions, making it the obvious choice for shops and exhibitions.
