

Zip Tube Mini 1-Circuit

Zip Tube Mini is a stylish and minimalist spotlight adapted for the Zip 230V 1-circuit system, a more powerful version than the Micro in the same family, but which can be combined on the same rail. Zip Tube Mini comes with a black bezel as standard, with low glare. Other bezels in white and gold are available as accessory. This allows for creative individual designs. The black bezel has low glare, the gold gives a warmer light, and the white reflects the most.
