

Artes Outlet

Artes Outlet has two practical sockets, perfect for patio heaters on the veranda, pressure washers in the carport or anywhere else extra sockets are needed. Individual step-by-step adjustment of light angle/light distribution up and down is possible. The up or down light can also be switched off if desired. Manufactured in die-cast, powder-coated aluminium. Dimmable with phase cut dimmer. Easy to install with mounting backplate, as well as quick clamps and two cable entries.
