

# Inspire 300 3-Circuit

Compact size, powerful LED chips with excellent color rendering and high lumen output, and tiltable housing makes Inspire 300 3-Circuit a great choice for shops and exhibitions. The cubic black reflectors provide very low glare. Inspire 300 3-Circuit is a wallwasher designed for ShopLine three-phase track systems but can also be used with other track systems compatible with Global adapters. The driver is integrated into the track adapter and includes dip switches, allowing you to set the light to maximum brightness (standard) or UGR
