

# Hovden 24V

Hovden 24V is a premium garden spot for creating outdoor lighting environments. It is made of sturdy machined aluminum, powder coated. Comes with a bracket that can be fixed to wall or ground, or to a ground spear. The head can be rotated 360 degrees, allowing for flexible installation. Delivered with 2 meter outdoor cable for connection to 24V driver. Waterproof IP67. Additional anti-glare visor is available.
