

Tube Micro S

Tube Micro S is a stylish and minimalist spotlight for mounting on ceilings, inclined ceilings or walls. It has a powerful light that can be used indirect for general lighting or directly to emphasize parts of the environment. The spot can be rotated and tilted to exactly where the light is needed. It is easy to install on all known ceiling outlets and boxes and can be looped. The spot comes with a black bezel as standard, with low glare. Other bezels in white and gold are available as accessory.
